Dear Mr Garrison

A few days
since I received
your kind private
note and your
note letter for the
Allian News. It
came just too
late for last week's
issue; so I trust
it will be helpful
at once - who will
have written you
I have no doubt.

He is very sorry he
made that mistake
and did you the
injustice. You so
kindly write to
be corrected. I feel
at the time I read
the piece that
there was something
in a error - but
knew that the
incident occurred.
I had supposed that it
was Douglas who
was descending. Our
glad you have
written to put us
right. We were

if we would do the
slightest atom of
injustice to your
good reputation
in any way. Of course
your letter will
go into the A. M.
unabridged - and
I will attend the
letter book of your
private notes - that
you may see we
do not judge the
man. Indeed I
may say, that
anything from your
pen at any time
bearing upon the
Drunk Question &
the Alliance - will

be almost certain to
be missed. I do not
feel obliged to make
up your thoughts
back at any
time. I am sure
our readers will
be glad to have
frequent commun-
ications from your
penful pen.

You would see as
the weeks ago we
had a long notice
of the Complimentary
Dinner given you
at Boston. We were
all glad to see the
report. How much
when it is due!

You would feel
a death pang on
receiving the
news of the death
of your ancient
and beloved friend
and brother - John
Thompson! You
would not be
surprised to get
the news as
you knew how
shattered and low
he had been for
many years. I was
sorry I did not
know in time to

Let to the funeral
of the departed
now. I wish you
had the means
the time and the
energy to make
the life of our
deceased friend. No
one could do so
much justice to
her as you could.
I do not hear that
anything is being
done by any one
alas! then ever
remember that we
do justice to G. F.
Lives worth for God's
humanity.

You will be sorry
to hear that our
dear mother & friend
Rev. S. A. Mink
has been very ill
— quite laid up in
the Doctor's hands
for some months.
He is now mending
slowly, but is not
well and therefore
He will be glad
to read your letter
in A. M. — and he
shall see your
kind message to
him.

We had word a
week or more ago
— bad as times are.

I sometimes think
that Real times &
prevailing Quesions
may be the record
elements in the
circumstances - out of
which we are to
obtain success and
victory over the
Quintessential Quesion!
God seems in a
mysterious way
this morning to be preparing
for you an
hour in which as
the ultimate triumph.
The battle is the Lord's
and they who fight
it - must win - if
they persevere.
